

## US Golf Camps Health & Safety

---

**Prior to the Camp**, each camper agrees to follow the Pre-Camp Covid-19 testing procedures:

- If not vaccinated, each camper will be covid-tested within a week of arrival.
- Each camper will quarantine appropriately with camper's family before driving to the Camp.
- Each camper will receive a health screening before being admitted on campus.
- Additional on-site Covid-19 testing and other appropriate safety and health protocols may be amended from time to time in US Golf Camps sole discretion.
- US Golf Camps shall notify camper's family of any changes or amendments.

**While at the Camp**, each camper agrees to the following:

- Each camper shall submit to a daily health screening.
- If any camper is found to have symptoms at any point, US Golf Camps shall require the camper to be evaluated by our professional medical staff and to quarantine if appropriate.
- At the discretion of our medical professionals, campers will receive a Covid-19 test.
- In the case of a positive Covid-19 test result, parents agree to pick-up their child within 48 hours.

These Rules and Protocols may be amended from time to time in US Golf Camps' sole discretion. US Golf Camps shall notify Camper's Family of any changes or amendments.
